Benefits to the Homebuyers - Brinks commitment to setting the standard for protection services and our tradition of personal attention and customer satisfaction continues to make the Brink's name synonymous with unsurpassed protection.

People You can Trust - Brink's monitoring center is owned and operated by Brink's. Unlike other security Companies, Brinks does not contract their monitoring services. Brinks has been a trusted name in the security industry for 144 years. Brink's Home Security is the only national security provider to achieve Installation Quality (IQ) Certification endorsed by the National Burglar & Fire Alarm Association.

Easy to use and Easy to Afford - Up to 20% reduction on homeowner's insurance rates. Easy-to-operate system, even for children. Less than \$1 a day for system monitoring. The Brinks standard and premium systems are rated as Consumers Digest Best.

Advanced Technology - State of the art. UL listed monitoring center with emergency back-up systems. Quick link to the police, fire and medical emergency personnel. Fast and reliable alarms signal through dedicated fire-optic telecommunications. Brink's is a full service provider. All monitoring and customer car services are handled by trained Brink's personnel.
